The Chandler Christian Community Center was organized in 1966 for the purpose of providing assistance to those who were in need. The center has provided emergency food to the needy of this community. The numbers have increased dramatically over the years. Today it remains the largest charitable Food Bank organization in the community, providing food to the low income and homeless in the area.

The following items are staple items that we will purchase and deliver:

**Peanut butter • Dried beans and rice • Canned vegetables and meats
Children's cereal • Cooking oil • Sugar and Salt**

THANK YOU FOR JOINING US IN GIVING TO OUR COMMUNITY!
